§ 5. ADDRESS BY THE PRESIDENT

President Per-Anders Blind shortly addressed the plenum. In summary:

The Fiscal year of 2015 has been very intense and improving year for CONIFA as organization.

With the European Football Cup 2015 in Debrecen, Hungary, we have reached a Europe-wide attention. By staging the first ever Continental championship outside FIFA, CONIFA has proven itself and its members, that is on a great way to become a sustainable player in international football. The tournament and the many friendly matches around the world helped CONIFA’s members to build trust and credibility for their teams, but also for the people and region it represents.

This was the second step on a long journey to come and while the year had ups and downs it clearly showed that together we can bring football outside FIFA to a new level. Only thanks to the tireless efforts and work of all members and a global team spirit, an international movement was started, which is followed by more and more people and new teams around the world.

Today, we will discuss the ups and downs of the year 2015 and, even more important, we will decide how to move on from this point. We are looking forward to get further inspired by all of you today to build the best sport organization, which is truly working for its members and does not leave any people behind.

CONIFA is very proud and honored to welcome you all to the 3rd Annual General Meeting!

§ 7. APPROVAL OF THE NEW CONIFA STRUCTURE

President Per-Anders Blind presented the current CONFA structure, which was adopted on the Annual General Meeting 2015 in Skopje, Macedonia. Furthermore, Per-Anders Blind and General Secretary Sascha Düerkop reported about several administrative issues CONIFA had with the non-profit NGO on the Isle of Man. Therefore, the Executive Committee proposed the AGM to close the non-profit NGO on the Isle of Man and re-use the still opened Swedish NGO. The business company on the Isle of Man shall stay active.

Background/Generals:

CONIFA has established two separate companies on Isle of Man and our operational headquarter:

- **CONIFA Ltd:** Acts as Charity / Non-Profit Organization. The Executive Committee and all CONIFA members are affiliated into ConIFA Ltd.
- **CONIFA Properties Ltd:** Acts as the business part of ConIFA. This is where all the sales of sponsorships, TV/Internet rights, merchandise etc. are going to take place. All tournament rights and trademark are also included in this package. ConIFA Properties Ltd will also offer external investors/stakeholders to buy shares in the company.
Additionally, CONIFA is still registered as a non-profit NGO in Sweden.

The proposal of the Executive Committee is to now close the "CONIFA Ltd." on the Isle of Man and transfer the Executive Committee and member’s affiliation back to the Swedish non-profit NGO. The main reason is that the CONIFA Ltd. was not able to open a bank account and receive membership fees from CONIFA’s members, which is an important and critical source of income for the operations of CONIFA.

**Decisions:**
The AGM decided as proposed in the meeting to:

- change the location of the non-profit part of CONIFA from the Isle of Man back to Sweden.
- dissolve the Isle of Man based CONIFA Ltd. as soon as possible
