Dear CONIFA General secretary!

As President of the CONIFA Executive Committee I hereby nominate, Mr Roger Lundbäck, to be re-elected as Executive Committee member at the Annual General meeting 2021.

Roger has served as Global Referee Director for many years and have built a huge network of CONIFA referees from all over the world. He has delivered a closure of a referee sponsorship deal and shown excellent ability to deliver value and high standards in his field of responsibilities. A perfect ambassador and role model.
