9th January 2021

Dear CONIFA General secretary!

As President of the CONIFA Executive Committee I hereby nominate, Mr Peter Doyle, to be elected as CONIFA General secretary at the Annual General meeting 2021.

Both me and our existing General secretary has interviewed Peter and also deeply looked into his CV and resumé. As Global President, I'm sincerely convinced that Peter will serve as an excellent General secretaty in our forever growing organisation and be a good representative and ambassador for our ethics and values.
