CONIFA

CONIFA NO LIMITS – GUIDELINE

PROPOSAL FOR FOOTBALL FOR THE DISABLED

PRESENTED BY:

CONIFA NO LIMITS

WHAT TEAMS ARE ALREADY INVOLVED AND READY TO PLAY IN A CHAMPIONSHIPS?

- Padania No Limits - Italy
- Special Olympics Monaco - France

WHAT DO WE PROPOSE?

- We will support the existing CONIFA federations to create football teams for disabled people
- We both have a huge amount of experience and skills to pass onto the federations as well as contacts across Europe that could help the federations.

WHAT ARE THE DIFFERENCE IN RULES FOR FOOTBALL FOR THE DISABLED?

- 7 a side
- Smaller Goals; 3/4 of a full size goal
- Pitch is half of an eleven a side pitch
- No offside rule
- To return the ball into play, you can kick instead of throw
- If a player is substituted he can re-enter the game at any time

SQUADS

- Currently there is no eligibility rules for disabled football, however we propose that in a match squad of 10;
- 6 players will have an intellectual disability
- 4 players will have a physical disability

TOURNAMENT

- We propose that the tournament will be small to start with and slowly grow as more and more federations create disabled teams.
- We can play at the same venue as the tournament for non disabled players all we will need is some markers for goal areas.
